

1. Alaska: \$3,200 Payments

Most Alaska residents received a \$3,284 payment from the Permanent Fund Dividend program and an extra \$650 energy relief payment. Payments via direct deposit were made on September 20, and paper checks began distribution the week of October 6.

2. California: Up to \$1,050 Rebate

California's Middle-Class Tax Refund provided payments starting in October. Individuals earning up to \$75,000 received \$350, with additional amounts for dependents. Payments varied based on income, with most issued by November.

3. Colorado: \$750 Rebate Payments

Colorado sent \$750 to individual filers and \$1,500 to joint filers as tax rebates. Payments were distributed as checks to those who filed state tax returns for 2021.

4. Delaware: \$300 Rebate Payments

Delaware issued \$300 relief rebates to taxpayers who filed 2020 state tax returns. Joint filers received \$300 each. Payments were mostly distributed in May 2022, with a second application period ending December 15, 2022.

5. Florida: \$450 Payments

Eligible Florida households received \$450 per child through the Hope Florida program. Payments were mailed by July 25.

6. Georgia: \$250 Rebate Payments

Georgia residents received rebates of \$250 for single filers, \$375 for heads of households, and \$500 for joint filers from a budget surplus. Payments were issued by August.

7. Hawaii: \$300 Rebate Payments

Hawaii provided \$300 rebates for those earning less than \$100,000 and \$100 for those earning more. Dependents were also eligible. Payments were distributed from September to November.

8. Idaho: \$75 Rebate Payments

Idaho issued \$75 or 12% of 2020 state taxes, whichever was greater, to residents who filed 2020 and 2021 returns. An additional \$300 for individuals and \$600 for couples was later authorized.

9. Illinois: \$50 and \$300 Rebates

Illinois offered a \$50 income tax rebate per individual and \$100 per dependent for eligible residents. Additionally, a property tax rebate up to \$300 was available. Payments began in September.

10. Indiana: \$325 Rebate Payments

Indiana residents received \$125 tax refunds after filing 2021 taxes and an additional \$200 in August 2022. Most payments were made via direct deposit.

11. Maine: \$850 Direct Relief Payments

Maine issued \$850 to residents earning less than \$100,000 (\$150,000 for heads of household, \$200,000 for joint filers). Payments were mailed starting in June.

12. Massachusetts: 14% Tax Rebates

Massachusetts residents received 14% of their 2021 tax liability as rebates. Payments were distributed by mid-December for timely filers.

13. Minnesota: \$488 Payments for Frontline Workers

Frontline workers received a \$488 payment if they worked at least 120 hours in Minnesota between March 2020 and June 2021. Applications are now closed.

14. New Jersey: \$500 Rebate Checks

New Jersey issued \$500 rebates to nearly a million families, including those using taxpayer identification numbers instead of Social Security numbers.

15. New Mexico: \$500 Rebates

New Mexico residents received \$500 for single filers and \$1,000 for joint filers. Payments were split and issued in June and August 2022.

16. Oregon: Direct Payments of \$600

Oregon provided \$600 payments to households that claimed the earned income tax credit in 2020. Payments were distributed by July 31, 2022.

17. Rhode Island: \$250 Rebate per Child

Rhode Island issued \$250 per child (up to three children) for families earning less than \$100,000 (\$200,000 for joint filers). Payments began in October.

18. South Carolina: Rebate Checks of up to \$800

South Carolina provided rebates up to \$800, with distribution completed by December 31. Residents filing by February 15 will receive payments in March 2023.

19. Virginia: \$250 Rebates

Virginia issued \$250 rebates (\$500 for joint filers) to eligible taxpayers who filed by October 17, with payments by year-end. Those filing by February 15, 2023, will receive payments in March.
